

The New 2005 V6 Nissan Altima

All your senses will wonder if they just won the lottery.

The New 2005 V6 Nissan Altima. For your eyes there's an ultramodern instrument panel. For your ears, a Bose® audio system with a 6-disc CD changer. For the touch, sumptuous leather appointments and steering-wheel-mounted controls. For your sense of style, the entire cabin, completely redesigned. The new Nissan Altima. Your senses never had it so good.

SHIFT the possibilities

At Nissan, we challenge ourselves to push the boundaries. To look at the familiar in a different way. To open our minds to new ways of thinking. Now, we invite you to look at the results. A complete family of sedans, trucks and SUVs. Each represents a shift from ordinary automotive thinking. Each inspires passion in the people who drive them.
